

SPRING 2025 ENRICHMENT CLASSES

L'Étoile

After School Enrichment Classes

Spring After School Enrichment classes will start the week of March 31st and run through the first week of June.

Our spring lineup of after school enrichment classes includes art, music, sports, gymnastics, ballet, and coding! These engaging activities are designed to spark creativity, build skills, and keep students active and curious.

For those signing up for gymnastics, note the times have changed from previous sessions. TPS/PS will run 3:15-3:45 and MS/GS from 4-4:30.

Spring Enrichment Class Schedule from March 31 - June 6:

- Week 1: March 31 - April 4
- Week 2: April 7 - 11
- Week 3: April 14-18 (no music on Thursday, will be made up June 12)
- Week 4: April 28 - May 2nd
- Week 5: May 5 - May 8 (no class on Friday, May 9)
- Week 6: May 12 - 16
- Week 7: May 19-23
- Week 8: May 27 - 30 (no class on Monday, May 26)
- Week 9: June 2 - 6

TPS and PS (Pre-School)

L'Étoile

After School Enrichment Classes

Spring Art Adventures

Embark on a creative spring journey! Young artists will explore the beauty of the season—flowers in bloom, buzzing insects, and vibrant landscapes—while experimenting with various materials to create unique art projects. Your child will express creativity and gain French vocabulary in a fun, hands-on environment. Let springtime inspire your little one! Taught in French.

Grades: TPS & PS (minimum age is 3)
Days Offered & Time: Mondays, 3:20-3:50
Cost: \$180
Instructor: Nadège Charpentier

Gymnastics

Jump Start Gymnastics offers instruction on all the traditional gymnastics events: bars, beam, vault, and floor. There are also some rhythmic gymnastics props and a trampoline. Preschool-sized equipment allows students to learn beginner to intermediate-level skills successfully. A typical class will include a warm-up and stretch, an obstacle course, drills for skills, and a game and cool-down. Kids will build strength, flexibility, balance, coordination, and self-esteem. Taught in English.

Grades: TPS & PS
Days Offered & Time: Tuesdays, 3:15 - 3:45
Cost: \$215
Instructor: Jumpstart Gymnastics

French Ballet - TPS and PS

French ballet classes are the perfect place for young minds and bodies to explore movement, music, and language. Cécile's ballet classes provide a stimulating environment, using music and props to teach your little blossoming dancer ballet techniques and terminology—all in French. Whether your child is new to ballet or continuing their journey, this class warmly welcomes all young dancers to learn, grow, & have fun in a creative and engaging setting!

Grades: TPS and PS
Days Offered & Time: Wednesdays, 3-3:30
Cost: \$200
Instructor: Cécile Paolini

French Ballet - All AGES

Perfect for dancers of all ages from preschool to kindergarten, this class welcomes children from Hood and Annex to explore movement, music, and language together. Taught in French, Cécile's engaging ballet sessions use music and props to introduce young dancers to ballet techniques and terminology, whether they're beginners or continuing their journey. Join us for a fun and creative experience!

Grades: TPS-GS
Days Offered & Time: Wednesdays 3:40-4:10
Cost: \$200
Instructor: Cécile Paolini

Fairy Tales and Music

Children will explore musical stories adapted from fairy tales with dramatization, dance, musical games and mime. Taught in French.

Grades: PS Only
Days Offered & Time: Thursdays, 3-3:30
Cost: \$200
Instructor: Marc Bescond

Multi-Sport

Get ready to move, jump, and play! In this fun-filled multi-sport class designed for TPS and PS Children, Little athletes will develop gross motor skills, coordination, and confidence through engaging games and activities. From running and jumping to balancing and throwing, children will explore a variety of movements in a playful and supportive environment. Taught in French,

Grades: TPS and PS
Days Offered & Time: Fridays, 3-3:30
Cost: \$180
Instructor: Olivier Paolini

Ballet in French- Mixed Age

French ballet classes are the perfect place for young minds and bodies to explore movement, music, and language. Cecile's ballet classes provide a uniquely stimulating environment, using music and props to teach your little blossoming dancer ballet techniques and terminology—all in the French language. Whether your child is new to ballet or continuing their journey, this class warmly welcomes all young dancers to learn, grow, and have fun in a creative and engaging setting!

Grades: ALL AGES (TPS-GS)

Days Offered & Time: Wednesdays 3:40-4:10

Cost: \$200

Instructor: Cécile Paolini

Beginning Solfeggio

Students will learn to read, write, and recognize musical notes on the staff, with a focus on the treble clef. Marc will introduce basic music theory, exploring key sound parameters such as pitch, dynamics, timbre, and duration, using fun musical games to reinforce understanding. Students will practice body percussion to build coordination and learn basic rhythmic patterns. Taught in French.

Grades: MS and GS

Days Offered & Time: Thursdays, 3:40-4:25

Cost: \$225

Instructor: Marc Bescond

Soccer

Build critical thinking and gross motor skills through the exciting and dynamic game of soccer! Children will practice essential soccer techniques like dribbling, passing, and shooting while developing creativity, communication, and teamwork in a fun, supportive environment. Taught in French.

Grades: MS and GS

Days Offered & Time: Fridays, 3:40-4:10

Cost: \$180

Instructor: Olivier Paolini

Ballet in French- MS/GS

French ballet classes are the perfect place for young minds and bodies to explore movement, music, and language. After School Enrichment Classes

Bringing Art to Life

Students will explore fundamental techniques of shading and perspective to create depth and dimension in their artwork. Through guided practice, they will learn how light and shadow affect form, enhancing their drawing skills and transforming simple sketches into dynamic, three-dimensional pieces. Perfect for young artists looking to elevate their creativity and bring their drawings to life! Taught in English.

Grades: CP-CM2

Days Offered & Time: Mondays, 3:15-4pm

Cost: \$200

Instructor: Serah Tannenholz

Little Coders: Intro to Robotics (K-1)

In this course, students use visual programming to learn computational thinking and core coding concepts, such as code structure, variables, and loops. Engaging activities boost problem-solving and creativity. They code robots for tasks like navigating mazes, detecting obstacles, playing music, and more. Class runs April 1 - May 27

Grades: GS, CP

Days Offered & Time: Tuesdays, 3:15-4:15

Cost: \$283

Instructor: Coding With Kids

Acrobatic Gymnastics

Acrobatic Gymnastics consists of acrobatic skills, dance, and tumbling. We will pick a song together and create a routine that we will perform during Friday assembly. If you have gymnastics skills, love to dance or jump around, come join the team for some fun! Taught in French.

Grades: CP-CM2

Days Offered & Time: Wednesdays, 3:15-4pm

Cost: \$225

Instructor: Mélissa Féménia

Robotics: Intro to Coding

In this course, students will learn the basics of programming a robot. Using a block-based, visual programming platform, young coders will be introduced to fundamental concepts, including code structure, variables, and loops. They'll program their robot to tackle mission challenges. These challenges include avoiding obstacles, sensing and responding to sound, and autonomously navigating a maze. **Class runs April 3-May 29.**

Grades: CE1-CM2

Days Offered & Time: Thursdays 3:15-4:15

Cost: \$273

Instructor: Coding With Kids
